1. Membuat form register

The screenshot shows a web browser window with a purple header. The address bar displays a local development URL. The main content area has a green background. On the left, there is an illustration of a person standing next to a large monitor displaying a login form. On the right, there is a white form titled 'Register Mahasiswa'. The form contains the following fields:

- Nama**: A text input field with the placeholder 'Masukkan Nama'.
- Username**: A text input field with the placeholder 'Masukkan Username'.
- Password**: A text input field with the placeholder 'Masukkan Password' and a toggle icon for password visibility.
- NPM**: A text input field with the placeholder 'Masukkan NPM'.
- Fakultas**: A dropdown menu with the placeholder 'Pilih Fakultas'.
- Program Studi**: A dropdown menu with the placeholder 'Pilih Program Studi'.

The Windows taskbar is visible at the bottom, showing the time as 1:08 AM on 12/17/2024.

2. Membuat form lupa password (belum full)
